SUBCONTRACT AGREEMENT

SUBCONTRACTOR shall directly superintend the Work or assign and have on the job site a competent superintendent who is satisfactory to PATRIOT and who has authority to act for SUBCONTRACTOR.

In consideration of the complete and timely performance of all Work under this Agreement, PATRIOT shall pay to SUBCONTRACTOR the sum of: as shown on page nine of this agreement.

All pay requests under this Agreement shall be rounded to the nearest dollar.

PAY-WHEN PAID PROVISION: PATRIOT's receipt of payment from OWNER is a **CONDITION PRECEDENT** to PATRIOT's payment obligations hereunder and the source of such payment. The Parties intend this provision to operate as a condition precedent and not a timing mechanism. SUBCONTRACTOR shall have no claim for payment against PATRIOT or PATRIOT's surety, if any, unless and until PATRIOT receives payment for SUBCONTRACTOR's work. Regardless of the time of performance under this Agreement, SUBCONTRACTOR shall provide the following to PATRIOT prior to any payment made under this Agreement.

- a) Certificates of Insurance (*see Section 7 of this Agreement*) or as required by the Prime Contract;
- b) Invoices showing each principal category of Work which substantiates the amount requested in such detail as requested by PATRIOT for determining progress payments;
- c) Certified payroll information in compliance with Davis-Bacon, related and other federal laws and regulations; and all provisions of the Prime Contract.
- d) Schedules for completing the Work, as may be required by PATRIOT;
- e) Performance and payment bonds, as may be required by PATRIOT;
- f) Submittal information and shop drawings, as may be required by PATRIOT or OWNER.
- g) A completed Progress Payment Waiver and Lien Release, or Final Payment Waiver and Lien Release, as the case may be, by which SUBCONTRACTOR certifies that the Work for which payment is requested has been performed, that SUBCONTRACTOR will use such payment for payment of obligations under this Agreement, and that SUBCONTRACTOR and its lower-tier subcontractors and suppliers release all mechanic's lien, bond and contract claims based on materials provided and Work performed prior to the date of the Release.

SUBCONTRACTOR's submission of a Progress Payment request to PATRIOT shall constitute SUBCONTRACTOR's certification that the invoiced amounts are properly due and owing for work performed by SUBCONTRACTOR.

Except as provided in this Article 4, Progress Payments shall be made as stated above as the Work progresses unless SUBCONTRACTOR is in default. An amount equal to 10% of SUBCONTRACTOR's approved progress payment may be retained by PATRIOT at its option, which retainage shall not be released until PATRIOT receives final project payment from the OWNER, SUBCONTRACTOR's Work is accepted by PATRIOT as final when SUBCONTRACTOR furnishes PATRIOT with satisfactory evidence that all obligations incurred by SUBCONTRACTOR pursuant to this Agreement have been paid in full. PATRIOT may offset against any sums due SUBCONTRACTOR hereunder the amount of any back charges to the SUBCONTRACTOR or unpaid obligations of SUBCONTRACTOR to PATRIOT, whether or not such back charges or obligations arise out of this Agreement, or arise out of another Agreement with PATRIOT.

In the event of any breach by SUBCONTRACTOR of this Agreement or in the event of the assertion by SUBCONTRACTOR or others of any third-party claim against OWNER, PATRIOT or PATRIOT's surety, which claim arises out of or is in relation to SUBCONTRACTOR's performance, PATRIOT may, but is not

required, retain out of any payments due to SUBCONTRACTOR an amount sufficient to protect PATRIOT from any and all loss, damage or expense there from, until the claim has been adjusted by SUBCONTRACTOR to the satisfaction of PATRIOT; or PATRIOT, at its option, may make any payment due hereunder by check payable jointly to SUBCONTRACTOR and any of its subcontractors or suppliers who have performed Work or furnished materials under this Agreement. In the event SUBCONTRACTOR declines to endorse any check made payable jointly to SUBCONTRACTOR and any of its subcontractors or suppliers,

PATRIOT may make payment directly to the subcontractor or supplier to whom PATRIOT has determined payment is owed by SUBCONTRACTOR. Any direct payment, including administration costs, will be back charged to SUBCONTRACTOR.

If any dispute arises as to the amounts properly due and owing SUBCONTRACTOR, the dispute shall be resolved in accordance with the disputes provisions of this Subcontract. PATRIOT shall have no obligation to pay any dispute amounts until final resolution of the dispute. SUBCONTRACTOR shall continue its work under this Subcontract, without interruption, despite any non-payment of disputed amounts.

5. CHANGES

PATRIOT may order changes in the Work. No alteration, addition, omission or change shall be made in the Work or the method or manner of performance of the Work except upon the written change order of PATRIOT. PATRIOT will not be responsible for payment for changes directed by parties other than PATRIOT. Any change or adjustment in the contract price by virtue of such change order shall be specifically stated in the applicable change order. Prior to the issuance of any change order, upon PATRIOT's request, SUBCONTRACTOR shall furnish to PATRIOT a detailed itemization showing the value of the Work, labor, services and materials altered, added, omitted or changed by the proposed change order, and the corresponding overhead and profit amounts. If an agreement as to monetary allowance or any other term in the change order cannot be reached, PATRIOT, by an authorized representative, may direct SUBCONTRACTOR in writing to perform the Work with the final adjustment reserved until final completion of both this Agreement and the prime contract. The monetary amount for the performance of any change order shall not exceed the allowance set forth in SUBCONTRACTOR's prior price breakdown. Any extension of time needed as a result of a proposed change order shall be requested by SUBCONTRACTOR, in writing, prior to the issuance of the change order, and shall be incorporated into the change order at the discretion of PATRIOT. All changes in the Work ordered in writing by PATRIOT shall be a part of the Work and shall be performed and furnished in strict accordance with all of the terms and provisions of this Agreement and the Contract Documents. The Subcontract Price includes the price adjustments of written, executed Change Orders.

6. CLAIMS AND DISPUTES, MANDATORY BINDING ARBITRATION

In the event SUBCONTRACTOR makes any claim involving any action or directive by the OWNER, or any question as to SUBCONTRACTOR's compliance with the Prime Contract ("OWNER-Related Dispute"), Subcontractor shall provide notice of such claims to PATRIOT within one week prior to the beginning of SUBCONTRACTOR's Work for which such claim is to be made, or immediately upon SUBCONTRACTOR's knowledge of the claim, whichever shall occur first. Otherwise, such claim shall be deemed waived.

Should SUBCONTRACTOR wish to make an OWNER-Related Dispute, SUBCONTRACTOR shall submit its claim to PATRIOT as a pass-through claim for presentation to the OWNER. In the event that

The parties agree that there will be no recourse to trial or appeal courts, except as may be allowed by law, and that their exclusive recourse and remedy is ARBITRATION. This agreement to arbitrate shall be specifically enforceable under the prevailing arbitration law of the State of Maryland. Arbitration shall be arbitrated in the State of Maryland in the County of Calvert. SUBCONTRACTOR agrees to carry on the Work under this Agreement and maintain satisfactory progress while any claim or dispute is being resolved.

Thereafter, PATRIOT may take possession of the plant and Work, materials, tools, appliances, and equipment of SUBCONTRACTOR at the building site, and through itself or others provide labor, equipment and materials to prosecute SUBCONTRACTOR's Work on such terms and conditions as shall be deemed necessary, and shall deduct the cost thereof, including all charges, expenses, losses, costs, damages and attorneys' fees incurred as a result of SUBCONTRACTOR's failure to perform from any money due or thereafter to become due to SUBCONTRACTOR. - I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below), and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

IMPORTANT NOTICE

To all Subcontractors of PATRIOT:

It has come to my attention that occasionally a Subcontractor begins or performs work on one of our projects prior to our Subcontract Agreement or Change Order being fully executed. While I can commend the efforts to proceed with work in an expedient fashion, this is not an acceptable business practice for either party involved.

Effective immediately, any Subcontractor who elects to perform work outside the designated scope of work (as described in the Patriot-issued fully executed Subcontract Agreement or fully executed Change Order), or prior to signing such documents, will do so with no expectation of monetary compensation from PATRIOT for that work.

I ask all Subcontractors to please refer to the terms of the signed Subcontract Agreement, specifically page 4, item 5, regarding "Changes". Please remind your onsite staff that changes to the designated scope of work are to be done subsequent (only) to the signed Change Order that is issued by PATRIOT.

Should a rare emergency instance arise that requires initial commencement of work or alteration to the scope of work, prior to execution of a Subcontract Agreement or Change Order, permission to proceed shall only be granted by myself or Matthew Timbario.

Should you have specific questions or concerns, please feel free to contact our office to speak with me directly. I greatly appreciate your full cooperation regarding this matter, and look forward to a continued and prosperous relationship.

Sincerely,

A handwritten signature in cursive script that reads "John Gilmore".
